Discipline/Behavior Policy

The Kids Zone provides a safe, positive, and recreational atmosphere. A discipline problem is defined as one in which a child is hampering the flow of the program. This includes inflicting physical or emotional harm on others, physically or verbally abusing staff; or is otherwise unable to follow program rules and guidelines. In order to guarantee all children a positive experience, inappropriate behavior will not be allowed. Examples include but are not limited to: abusive language/inappropriate gestures, fighting or damage done to school property by their child. If there are discipline problems that cannot be resolved at the staff level a discipline report will be given to the parent. Three discipline reports will result in the child being suspended for three days. A conference must occur between the program directors, child, and parents for the child to return. If the disruptive behavior continues the child may be permanently removed from the program.
