Snacks: Participants are encouraged to bring a water bottle and snacks while participating in the before and after school program. The Kids Zone does not provide snacks.

Homework List: Participants are encouraged by staff to work on their homework but it is not required. If you need your child to work on homework while attending the program, please add them to the Homework List and efforts will be made to assist with that. Staff will be available to assist with homework but please keep in mind we are not a tutoring service and cannot sit with a child and help with every problem.

Movies: The Kids Zone may show or go on a field trip to see G or PG rated movies.

Photos: The Kids Zone may take photo/video of participants during the program and on field trips. Photos are for The Kids Zone use only and may be used in promotional materials and internal communication. Sunscreen: Many field trips and activities are outdoors, please plan accordingly. Please provide spray on sunscreen as staff is unable to apply rub on sunscreen.

Personal Items: We do not permit children to bring valuables, toys or electronics to the program. The Kids Zone is not responsible for lost, stolen or broken items.

Break Programs: Break programs are limited; sign-ups are on a first come first serve basis. Sign-ups for break camps generally go out about a month before the break.

Program Closure/Cancellations: On the days/times the Washoe County School District cancels school or closes school early The Kids Zone will also be closed.

Mandated Reporters: Nevada law requires certain people to make reports of suspected child abuse or neglect. These mandated reporters include doctors, dentists, nurses, hospital personnel, daycare providers, clergy, social workers, teachers, and counselors. Staff will report any suspected abuse to Child Protective Services. Mandated reporters can be charged with a misdemeanor if they fail to report suspected child abuse or neglect. Nevada law does not allow Social Services to disclose the name of any reporting person.

Custodial Issues: The Kids Zone does not enforce or mediate terms of visitation. If custodial issues are in dispute causing uncertainty as to which Parent or Guardian is entitled to pick up the child(ren), The Kids Zone asks that you refrain from registering the child(ren) until such issues are resolved. If issues arise once the child(ren) are registered in the program, The Kids Zone expects that they will be immediately resolved. If they are not resolved immediately, The Kids Zone reserves the right to consider whether or not the child may continue participating in the program.

Participant Expectations

1. Treat themselves and others with respect and keep their hands and bodies to themselves.
2. Follow directions, written and verbal and use appropriate tone and voice.
3. Play safely without endangering one's self or others.
4. Ask permission before going to the restroom or away from the designated area.
5. Use The Kids Zone's equipment safely and appropriately.
6. Clean up after themselves and keep toys and important personal possessions at home.
7. Speak up and talk to a staff member if there is a problem or issue.

Parent or Guardian expectations:

1. Ensure that emergency contact information is up to date and that staff are aware of any accomplishments or issues so that we may better serve participants.
2. Please respect that our staff are not allowed to fraternize, babysit, housesit, or transport for families participating in The Kids Zone program as such relationships could possibly cause discourse within our program and could potentially cause unsafe circumstances to our participants.
3. Adults serve as role models for the children in our program. Please address staff in an appropriate manner. The Kids Zone has a zero-tolerance policy of workplace violence, physical force, harassment, intimidation, or abuse of power or authority. Approach conflict with staff and/or other parents in a manner that is respectful and is not witnessed by other parents or children.
4. If you have an issue with a staff member, please schedule a time to discuss it that is convenient for both you and the Director. Please remember, the staff and the Director have more than your child they are responsible for and cannot ignore their responsibilities to meet with you at an unscheduled time. Should a situation occur within the program due to inappropriate actions by a customer, The Kids Zone reserves the right to remove participants from the program.
5. Parents or Guardians should never address a child that is not their own. If you have concern with another participant's behavior, please address a supervisor. Staff will not discuss disciplinary issues regarding other program participants.

Potential Reduction of Enrollment due to COVID Protocols

For the safety and security of our staff and program participants, The Kids Zone follows Center for Disease Control (CDC) guidelines, State of Nevada directives, and Washoe County Health District (WCHD) and Washoe County School District (WCSD) policies and procedures for COVID response and protocols.

It is important that The Kids Zone provides as much advance notice as possible to our families regarding potential program changes. Out of an abundance of caution and while it has not yet been determined, if enrollment numbers for The Kids Zone's Before and After School Program have to be reduced because of COVID protocols, enrollment will be honored on a first come, first serve basis for full time participants. Each registration form will be notated with time and date of receipt.

Potential Reduction of Enrollment due to COVID Protocols (continued)

It will be an unfortunate situation to find ourselves in; however, we must be prepared during these unprecedented times. Tough decisions will have to be made due to space constraints and we feel the fairest solution will have to be that families who were the last to register will have to be un-enrolled and will need to secure child care services elsewhere. Again, it is important to reiterate we have not yet had to make this kind of decision; however, we would be remiss if we did not ask our families to consider alternate care should it become necessary.

Attendance Policy:

Please call 775-852-3522 and leave a voicemail or email thekidszonereno@gmail.com if your child will be absent. A missing child is treated seriously; if it is determined that a child is scheduled to be at the program but has not checked in at the after school program Parents or Guardians and all Authorized Emergency Contacts will be called in an effort to locate the child. If a child is not located in a timely manner school police will be called. Repeated failure to communicate a child's absence will result in removal from the program.

The Kids Zone operates under a "closed door" policy that does not allow participants to come and go. Should a child elect to leave The Kids Zone facility, with or without parent permission, their conduct and actions are the Parent or Guardians responsibility. Your child's conduct may, however, affect their enrollment status at the discretion of the Director.

On a regular school day, if a child does not attend school or is sent home from school, they are not eligible to participate in the program.

If a participant will be participating in an extracurricular activity such as tutoring, chess club, art class, music lessons, bike week, Girls on the Run, etc. before or after school during the program staff need written permission to release the participant and a schedule for the activity they will be participating in.

Sick Child Policy:

We do not have the facilities or staff to care for sick children. Please keep children at home when signs of illness or infection appear. This is for the welfare of your child as well as the other children and staff in the program. At no time will a child that is experiencing a fever, vomiting, diarrhea, head lice, or other contagious affliction be allowed at the program. Parents or Guardians are expected to pick up a sick child within 30 minutes of notification their child is ill.

Disrupting or otherwise preventing The Kids Zone staff from delivering the program or activity to the participants in accordance with The Kids Zone standards

Staff encourages children to respect themselves, each other, staff and property. Program leaders go over the rules often. When working to guide participant behavior, staff will first employ problem-solving techniques to help participants understand the consequences of their behavior. If problem-solving shows insufficient results for maintaining a safe environment for all, staff will implement the following progressive discipline steps to get a child back on track with the behavior policy:

1. Communicate appropriate behavior: A staff member will communicate appropriate behavior to the participant. The participant will convey to the staff the appropriate behavior required and the participant will be told the consequences of the inappropriate behavior should it continue.

2. Quiet time: If inappropriate behavior continues, a staff member will have the

Behavior Policy: (continued)

participant go to a designated personal space area for five to ten minutes prior to rejoining the group. The staff member will reiterate the desired behavior and further consequences should the behavior continue and allow the participant to return to the group.

3. Inappropriate Behavior Tracking Form: If a behavior concern is identified, a staff member will track the participant's behavior. Description of the behavior and staff actions will be documented on the Inappropriate Behavior Tracking Form and the Parent or Guardian will be notified of such behaviors.

4. Suspension: The steps listed above are used to correct behavior(s) in most cases. If they are unsuccessful, a participant will be suspended from the program. These steps will not be followed if management determines for safety or other reasons that the behavior displayed requires immediate suspension.

- First Suspension: After following steps 1 through 3 to correct inappropriate behavior, if the behavior continues, the participant will be suspended for one day.

- Second Suspension: Should inappropriate behavior continue after the first suspension; the participant will be suspended for three to five program days. A mandatory parent/guardian conference will be required prior to the participant's return to the program.

- Third Suspension: Up to one-year suspension from The Kids Zone's program, depending on the severity of the offense/behavior.

Note: In severe cases, a participant may be removed immediately from the program. The length of that suspension will be at The Kids Zone's discretion, up to a permanent suspension.

Please note: The Kids Zone reserves the right to adapt and change policies on an as-needed basis. Program comments, concerns and requests for special accommodations can be directed to Brenna Lambert or Mike McBride at 775-852-3522 or thekidszonereno@gmail.com
